

Assumption of Risk, Waiver, and Release

COVID-19 and Voluntary Activities

I desire to participate in one or more voluntary activities sponsored by Florida District of Circle K International, Inc. (known as FLCKI). The novel coronavirus known as COVID-19 has been declared as a worldwide pandemic and is believed to be contagious and spread by person-to-person contact. Federal, state, and local agencies recommend social distancing and other measures to prevent the spread of COVID-19.

FLCKI will conduct certain activities beginning in the Spring of 2021 and continuing the rest of the service year (defined as February 22, 2021 to March 7, 2022). These activities, hereinafter known as "Activity," will be conducted with safety protocols appropriate under the circumstances at the time. For the safety of all people involved, participants in the Activity will be required to adhere to all safety protocols and are subject to immediate removal from the Activity if they do not comply.

In an effort to ensure the safety and wellness of our participants, I understand the importance of all stakeholders being healthy and safe when they participate in the Activity. By signing below, I agree that I will:

- Perform daily temperature checks on myself to screen for fever before arrival for the Activity. Fever is defined as a temperature over 100.4 F or 38.0 C. If I have a fever, I will not participate in the Activity until I have been without a fever for at least 72 hours. I also agree that FLCKI may screen me for a fever prior to allowing participation in any activities.
- Make a visual self-inspection for signs of illness, which could include: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, flushed cheeks, rapid breathing or difficulty breathing (without recent physical activity), fatigue, or extreme fussiness. If I have exhibited any of these signs or symptoms, I will not participate in the Activity until I have been without signs or symptoms for at least 72 hours.
- Confirm that I have not been in contact with someone who has either tested positive for COVID-19 in the past 14 days or is waiting for test results. If I have been in contact with such a person, I will not participate in the Activity until 14 days have elapsed since the time of contact.
- Promptly leave the Activity if signs or symptoms of illness are present.

By signing this document below, I acknowledge and affirm all of the statements above. Any participants under the age of 18 must have a parent/guardian sign on their behalf. I also voluntarily assume all risks that I may be exposed to or infected by COVID-19 as a result of participation in the Activity, and that such exposure or infection may result in personal injury, illness, sickness, and/or death. I understand that the risk of exposure or infection may result from my own actions, FLCKI volunteers, other Activity participants, or others not listed. By signing this, I acknowledge and accept all such risk in connection with my participation in the Activity. Finally, I acknowledge that the above guidelines may change at any time due to recommendations by the Centers for Disease Control (CDC), the State of Florida, the Department of Health, or any other regulating entity.
