Sponsoring Kiwanis Club Request Email (RE: Dues Increase)

Hello [Kiwanis Club President's Name],

I hope this message finds you well. My name is [Your Name], and I am writing to you on behalf of [CKI club name]. We are thankful for the [Kiwanis club's name] continued support towards our club and I wanted to inform you of a new change that may take place towards CKI members. A potential dues increase has been proposed by the Kiwanis international board. This proposal is a three-year structure that will increase dues by \$8 USD the first year, an additional \$4 USD the second year, and an additional \$8 USD the third year. This dues increase would become effective October 1st, 2024. While this is a current proposed amendment, it could change. It would pose a financial challenge for our student-led organization. Our CKI club has consistently worked towards making a positive impact in our community through various service projects and initiatives. However, this dues increase could potentially limit our capacity to increase membership and operate effectively to continue our good work within our club.

Considering this situation, we kindly request your support in the form of an additional monetary contribution. Any support would help bridge the gap created by the increased dues and ensure that our members can continue to participate fully in CKI activities without any financial concern. We believe that with your help, we can continue to foster leadership, develop community service projects, and maintain the high standards of excellence that both CKI and Kiwanis are known for. Your support would make a significant difference and is deeply appreciated by all our members.

Please let me know if you need any further information or have any questions regarding this request. Thank you once again for your time, and I look forward to hearing from you.

Sincerely,
